

Envelope with pictures obtained and provided
by John Goetz IV, in April, 2014

Marilee Cyrus
Bldg. # 48-1

Does anyone know who
Marilee Cyrus is, or where
Building 48-1 is?

Pictures below show Cliffside
in winter, likely in the 1940s.
Perhaps it was not yet
Cliffside and was Scout camp
Walhonde purchased by
Carbide and renovated to
become Cliffside. The Cliff is
visible in the background.
